Taishan Sports Equipment Co., Ltd

Taishan Sports Equipment Co., Ltd. is located in the Economic and Technology Development Zone of Leling city, Shandong province. It is the wholly-owned subsidiary of the Taishan Sports Industry Group, and also the cornerstone and core of the group company. We are becoming the largest international sports equipment manufacturer that provides a variety of items. Our professional competition mats are a superior product of Taishan. Additionally, we provide mats for judo, wrestling, taekwondo, martial arts, and free combat, which are all made by the most advanced technologies and environmentally-friendly materials. All of these products are also certified by the international federations. We offer a range of competitive sports equipment, such as gymnastics, track and field, boxing, wrestling, weightlifting, cycling, wushu, sanda, and judo, which are all certified by the international federations as well. This equipment is not only used for competitions, but is also widely used in communities and schools.

Taishan is growing together with the development of the sports community. It has successfully served the Olympic Games, the Youth Olympic Games, the Asian Games, the Universiade, and many other international sporting events. Every glorious moment in sports events provides a growing opportunity for our people. We have a rich history behind our brand and have become a trustworthy name in the international sports equipment industry. In the Beijing Olympic Games, we provided tens of thousands of equipment in over 200 varieties, thus becoming the biggest equipment supplier in the history of Olympic Games. Over 40% of the gold medals were produced with Taishan equipment and we created the record of “Zero Faults, Zero Breakdowns and Zero Complaints”.

Integrity is a promise that we will keep to all users at every corner of the world. We pledge to do our part to support sportsmanship and bring the culture of sports to more places. Please join us in our journey to help the world enjoy sports!

The Taishan Group has established a research and development partnership with the Beijing Sport University, as well as other well-known colleges, universities and research institutions. We have also successively cooperated with Shandong University to establish the Shandong University-Taishan Sports Equipment Research and Development Center and cooperated with the East China University Of Science and Technology to build the country’s first sports new material research and development center called the East China University Of Science and Technology-Taishan Sports New Material Research and Development Center. All of which have provided a powerful guarantee for The Taishan Group in the professional, technology-based, and cutting-edge research and development.
Boxing

STANDARD COMPETITION BOXING RING

Model
TQ1251

Size
7.8x7.8x1m

Weight
3200kg

Description
4 structural corner ring poles. 4 structural steel side rails. High-quality steel frame with laminated wood plates. All structural steel cross members. Official 1” closed cell with dense EVA foam padding (approved for competition). Underneath cables with turnbuckles. 16 deluxe turnbuckles. 16 turnbuckle covers. BOXING DUMMY
Model
TS4204B1A, TS4204B1B, TS4204B1C
Size
165cm
Weight
100kg
Description
Available in PU leather, Microfiber leather, or Cowhide leather. Stainless steel tube. Stuffed with high elastic foam. Wrapped with artificial leather.

BOXING SPEED BALL
Model
TSA2009A, TSA2009B, TSA2009C
Size
21x21cm
Description
PU Leather, Microfiber Leather, or Cowhide leather. Simple and easy installation. High-rope elastic rope for maximum rebound. Water-resistant.

BOXING PEAR BAG
Model
TSA2008A, TSA2008B, TSA2008C
Size
24x17cm
Description
Latex bladder, durable leather sewing. Shockproof sealing hollow rubber bladder for maximum elasticity. Sphere around size uniform, ensure accurate sense of speed and direction.

BOXING SPEED BAG AND STAND
Model
TSA2013
Size
Wood: 60cmx3cm
Steel stand: 100cmx60cm
Description
Steel body can be fixed on wall, adjustable wooden table body height. Features a rotating bearing, speed training for users.

BOXING PUNCH BAG
Model
TSA2010A, TSA2010B, TSA2010C
Size
21x28cm, Custom size available
Description
Easy and simple installation, high elastic rope for ultimate rebound, wear-resistant, durable, and suitable for professional and beginners practice.

BOXING PUNCH BAG
Model
TSA2011
Size
48x20cm
Description
100% hand-made, with thick rubber bladder, and an elastic rope.
PUNCHING BAG
Model TQ2543
Size 0.40x1.3m
Weight 45-50kg
Description Artificial leather exterior, stuffed with foam, cloth, and plastic, connected with steel chain.

PUNCHING BAG
Model TQ2544
Size 0.35x1.2m
Weight 35-40kg
Description Canvas exterior, stuffed with foam, cloth, and plastic, connected with steel chain.

PUNCHING BAG
Model TQ2545
Size 0.45x1.4m
Weight 50-55kg
Description Canvas exterior, stuffed with foam, cloth, and plastic, connected with steel chain.

MULTI-FUNCTIONAL PUNCHING BAG
Model TSA2007
Size 150cm
Weight 55kg
Description Features a special converter and built-in tank, simulating human body actions. Suitable for direct practice boxing, hook.

PEAR BOXING SANDBAG
Model TSA2005
Size 90cm
Weight 50kg
Description Features a special converter, heightening foam layer, and core rubber cloth.
PUNCHING BAG

Model
TQ2535A, TQ2535B, TQ2535C

Size
0.45 x 1.4m
0.40 x 1.3m
0.35 x 1.2m

Weight
35-55kg, customizable weight upon request

Description
Cow leather exterior. Stuffed with high-elastic polymer materials.

SPEED BAG WITH STAND

Model
TQ2288A

Description
Used to increase speed and reaction skills. Stainless steel base for added stability. Wooden platform. PU Leather Bag.

COMPETITION BOXING GLOVES

Model
TSA1002

Size
8, 10, 12, 14, 16oz

Description
High-quality cowhide leather exterior, Latex and EVA foam interior. Delicate cortex, perfect knuckle comfort and fit.

TRAINING BOXING GLOVES

Model
TSA1004A, TSA1004B, TSA1004C

Size
8, 10, 12, 14, 16oz

Description
PU or Microfiber leather, and Latex and EVA foam interior. Uniform fold and ventilated design for maximum comfort and fit.

TRAINING SANDBAG GLOVES

Model
TSA1005A, TSA1005B, TSA1005C

Size
8, 10, 12, 14, 16oz, custom size available upon request

Description
Built-in thickening latex buffer layer, suitable for sandbag training. Features a fission clipping design.

TSE1030 (Curdroy)

**Description**
Yellow shirts, black bollar, and dark blue pants.

**Taekwondo gowns** are worn over the Taekwondo uniforms and feature a modern design with silk material. Gowns are divided into two kinds: Orange Poomsae and Blue Dan. These gowns allow maximum flexibility, as seen in recent Taekwondo trends.

Our gowns are recognized by WTF. Weaved dragons, white tigers, basalts, and suzakus can be seen on the gowns. As well as the man, earth, heaven and tai chi diagram, making our jacquard fabric especially unique.

These gowns have two snap buttons on the chest for added comfort. The new WTF logo is also located on the chest as an important point of reference in the scoring process.
